Dear Mr Salem

Mr and Mrs M Morrison
128 Colinton Mains Drive Edinburgh

My clients have now taken up residence in their house in Edinburgh and have been somewhat distressed by the condition of theproperty. I annex hereto details of the main damage which is estimated as costing at least £1,000 to repair. In addition there have been various accounts sent in which are your responsibility. These are for gas, electricity and the telephone. I enclose herewith some letters addressed to you or your wife, together with an envelope which unfortunately I opened thinking it was another bill.

I appreciate that you had no control over being deported from the country but I am sure you will wish to reimburse the Morrisons for the damage cuased and in particular let me have your cheque to cover the various outstanding accounts. Any cheque sent to me should be in the name of my firm. I await hearing from you.

Yours sincerely

Alan R Fairful

Annexation:

Damages to 128 Colinton Mains Drive.
